

## Acceptable First Year English Courses from Canadian Post-Secondary Institutions

English courses must be offered through the English department and should consist of a full year of English literature or one semester of literature plus one semester of composition. Please note that courses in technical writing, report writing, business writing, creative writing, science writing, linguistics, ESL, film studies or media studies will not satisfy the requirement, even if offered by an English department.

Each of the English courses should have a workload equivalent to similar courses at UBC, including at least one research paper of five or more pages, an additional essay assignment, and a final exam.

Other literature courses may be accepted as well. If a course you are interested in does not appear on the chart, please email [admissions.md@ubc.ca](mailto:admissions.md@ubc.ca) to confirm acceptance.
